Dear Sir/Madam,

My name is Vanessa Woznow and I am the Manager of Marketing and Communications with Big Sisters of BC Lower Mainland.

Misty Temelkovski has been a Big Sister for the past seven years. For the past three years she has also volunteered as a Big Sisters Ambassador. Ambassadors are current or alumni volunteer mentors, who represent Big Sisters at a number of different events, including community festivals, volunteer fairs, media interviews, and fundraising events. They tell the agency's story and their own personal story of involvement with Big Sisters.

For the past eight months I overseen the Ambassador Program and during this time I have had the pleasure of working with Misty on a number of different occasions. Misty is almost always the first to respond to event proposals, and has attended many diverse events throughout her tenure as an Ambassador, including recently speaking at a Vancouver Canucks home game. Misty's enthusiasm and unwavering dedication to Big Sisters' vision, values, and programs is inspiring and infectious. At all times I have found her to be dependable, reliable, hard-working, conscientious, courteous, and above all, passionate about youth mentorship and engagement.

I'm happy to provide further information if required.

Best regards,

A handwritten signature in black ink that reads "Woznow".
